### **CHARITY ACTIVITY – 1**

#### **BLANKET DISTRIBUTION AT AN ASHRAM SHALA**

As the winter chill turns harsh with each passing day, Agricultural Engineering Alumni Association Godhra spreaded warmth among the less privileged people of the society by carrying on blanket and maflar/winter caps distribution program in the month of 17/12/2021. The objective of the initiative is to provide shield to the less privileged from the winter. For this, the association visited Mama Fadke Ashram Shala, Godhra and distributed blankets to residential school students . A total of 20 blankets and 20 maflars were distributed on 17/12/2021. President of the association, Dr.D.K.Vyas said that various other social welfare activities are being planned and blanket as well maflar/ winter caps distribution is the most sought after initiative. The purpose of distributing blanket as well maflar/ winter caps, the needy spreads the message of sympathy, love and sacrifices to the society and AEAAG feels the responsibility of society. Dr.R.Subbaiah, Patron, Dr. D.K.Vyas, President, Er.J.Sravankumar, Secretary and Alumin's of AEAAG Association, Godhra on the association volunteered for this program.

#### **VOLUNTARY BLOOD DONATION AND HEALTH AWARENESS CAMP**

As a part of Azadi ka Amrut Mahotsav, **Agricultural Engineering Alumni Association, Godhra (AEAAG)** in collaboration with **Indian Red Cross Society, Godhra** organized “Voluntary Blood Donation Camp-2021” on 11<sup>th</sup> March 2022 at College of Agricultural Engineering and Technology, Anand Agricultural University, Godhra. The programme was started counselling by Dr. R. K. Chauhan (Retd. Medical Officer, IRCS, Godhra). He counselled the students for blood donation and also briefed the benefit of blood donation. After that, Mr. Chirag Jadav, Treasurer, AEAAG, motivated the students for blood donation and invited students to come up ways AEAAG can do charitable activities. Dr.D.K.Vyas, President, AEAAG, informed students the charity activities that are being carried out by AEAAG and encouraged students to join hands for more charity activities and oriented towards voluntary blood donation. Total 37 members including faculty members were also actively volunteered in this voluntary blood donation camp.
