**COLLEGE OF AGRICULTURAL ENGINEERING
& TECHNOLOGY
ANAND AGRICULTURAL UNIVERSITY, GODHRA**

About the Association

The College of Agricultural Engineering and Technology (CAET), Anand Agricultural University (AAU), Godhra was established in the year 2008 and is having glorious Alumni. As we all know, a strong Alumni Association is a great strength and support in many ways. The initiation of the Alumni Association was taken up in November 2016. The Alumni Association was registered successfully with name "Agricultural Engineering Alumni Association Godhra" (AEAAG) under societies Registration Act 21, 1860 with Reg. No. Guj 3866/ Panchmahal and S. No. F/3835/Panchmahal on 31.03.2017. It already has more than 430 alumni located across the world in various industries and academia, and may more are expected to join hands in the years to come.

Objective

1. Alumni - a platform to the graduated students

- To promote the best interest of the alumni and to enable them to keep in touch with the institute and to have socio-professional links with each other.
- To provide a forum for the alumni so as to engage in such academic and social activities as shall contributes towards promoting liaison between the alumni and the college.
- To organize the welfare activities for the benefit of the alumni and to disseminate technical expertise for information and entrepreneurial development among the alumni.

2. Alumni for students on CAET, AAU, Godhra campus

- To organize training camps, coaching camps, technical seminars etc.
- To provide the support for the growth and development of the profession, college and students.
- To begin and run the libraries, sport clubs as well as training classes for the bright future of the student.

3. Social Responsible Charity Activities

- To provide financial assistance to poor students.
- To engage with the activities of functioning blood banks and will see to it that the poor people get blood at concessional price.
- To work for the villages and the environment.
- To provide social services.
- To take up the activities of environment conservation and to organize competition connected with the environment education.
- To help in developing the activity run by the home scale industry and cottage industry and take up all the works related to the development of the activities being run by social welfare board.
- To run training institution for the technical and professional management.
- To take in hands the works of useful education/training to society, agricultural, animal husbandry and rural development for rebuilding the society.
- To work for the welfare of the youth.
- To help all the people facing natural or manmade calamities.
